NOTES

A premium discount will be given if the business/organisation agrees to continue the policy with Ansvar for 3 consecutive years. Some points to note in respect of a long term undertaking:

- It is a legally binding contract between the business/organisation and Ansvar Insurance Company. In the event there is no material change in the risk and Ansvar increases the rating or imposes more onerous terms at renewal, we have broken the contract.
- If renewal is offered at the same terms or lower rating then the contract is not broken and the charity/organisation must offer to renew the policy.
- Should there be a material change in the risk, we will negotiate with you about continuing the long term undertaking with any revised terms.
- If you approach any other insurer to quote for any part of the cover provided by Ansvar, you must tell them about the existence of the long term undertaking.
